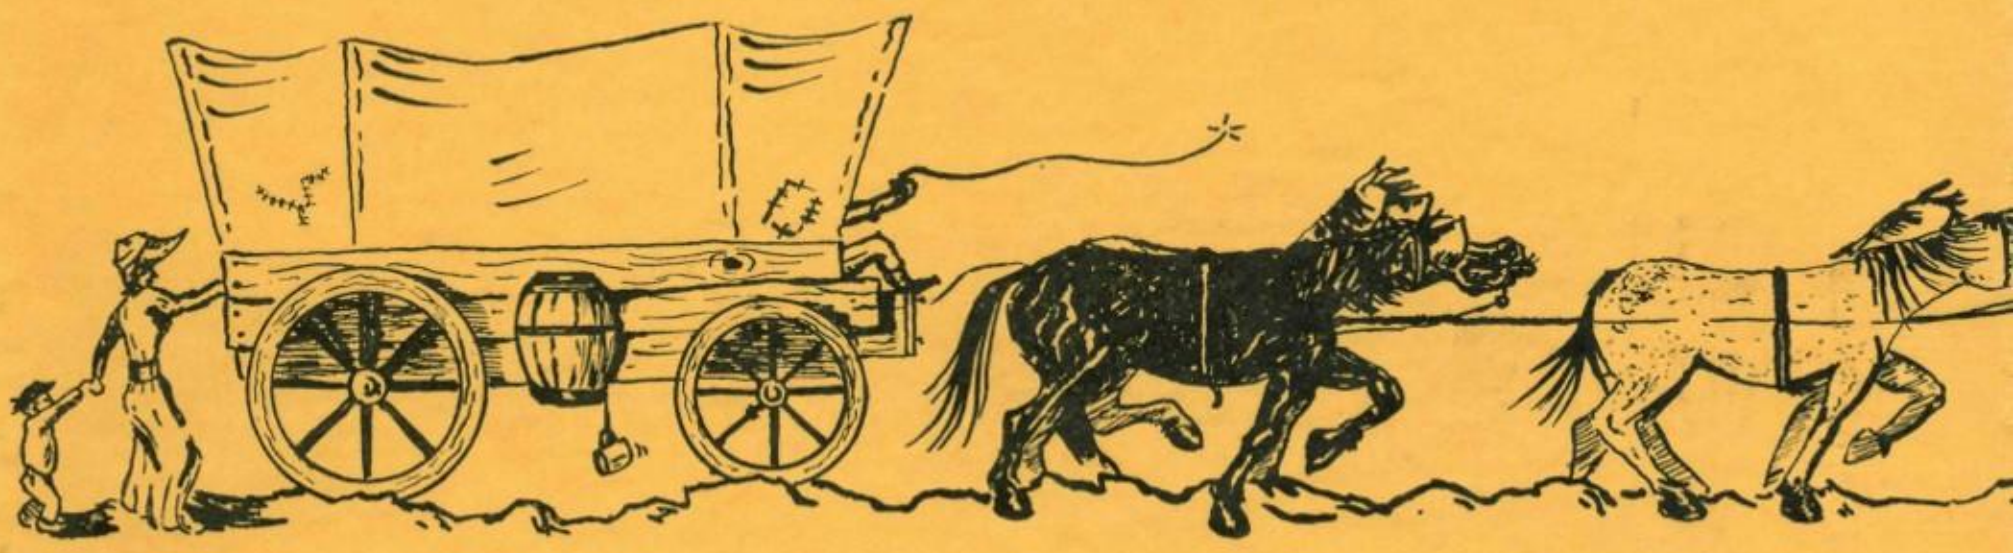
THE DAISY CHAIN



This Daisy Chain belongs to
Patsy Stephens

Patsy,
Well, we are
almost seniors.
I hope we make it
you are a very cute
and sweet girl.
Stay as you are
now and especially
always for.
Best Wishes Always

THE THEME

We are on the threshold of a new age, the Space Age, ushered in by jets, rockets, and satellites. Just as we dream today of giant strides into the future by means of new methods of transportation, so others have dreamed in the past.

On our division pages we have pictured methods of transportation which made possible the building of our country, methods which in their day were as revolutionary as are the jets and rockets of today.

So we of the present look forward to a great future because our forefathers dared to dream.

DEDICATION

WE, the SENIOR CLASS of

1959,

dedicate this volume of

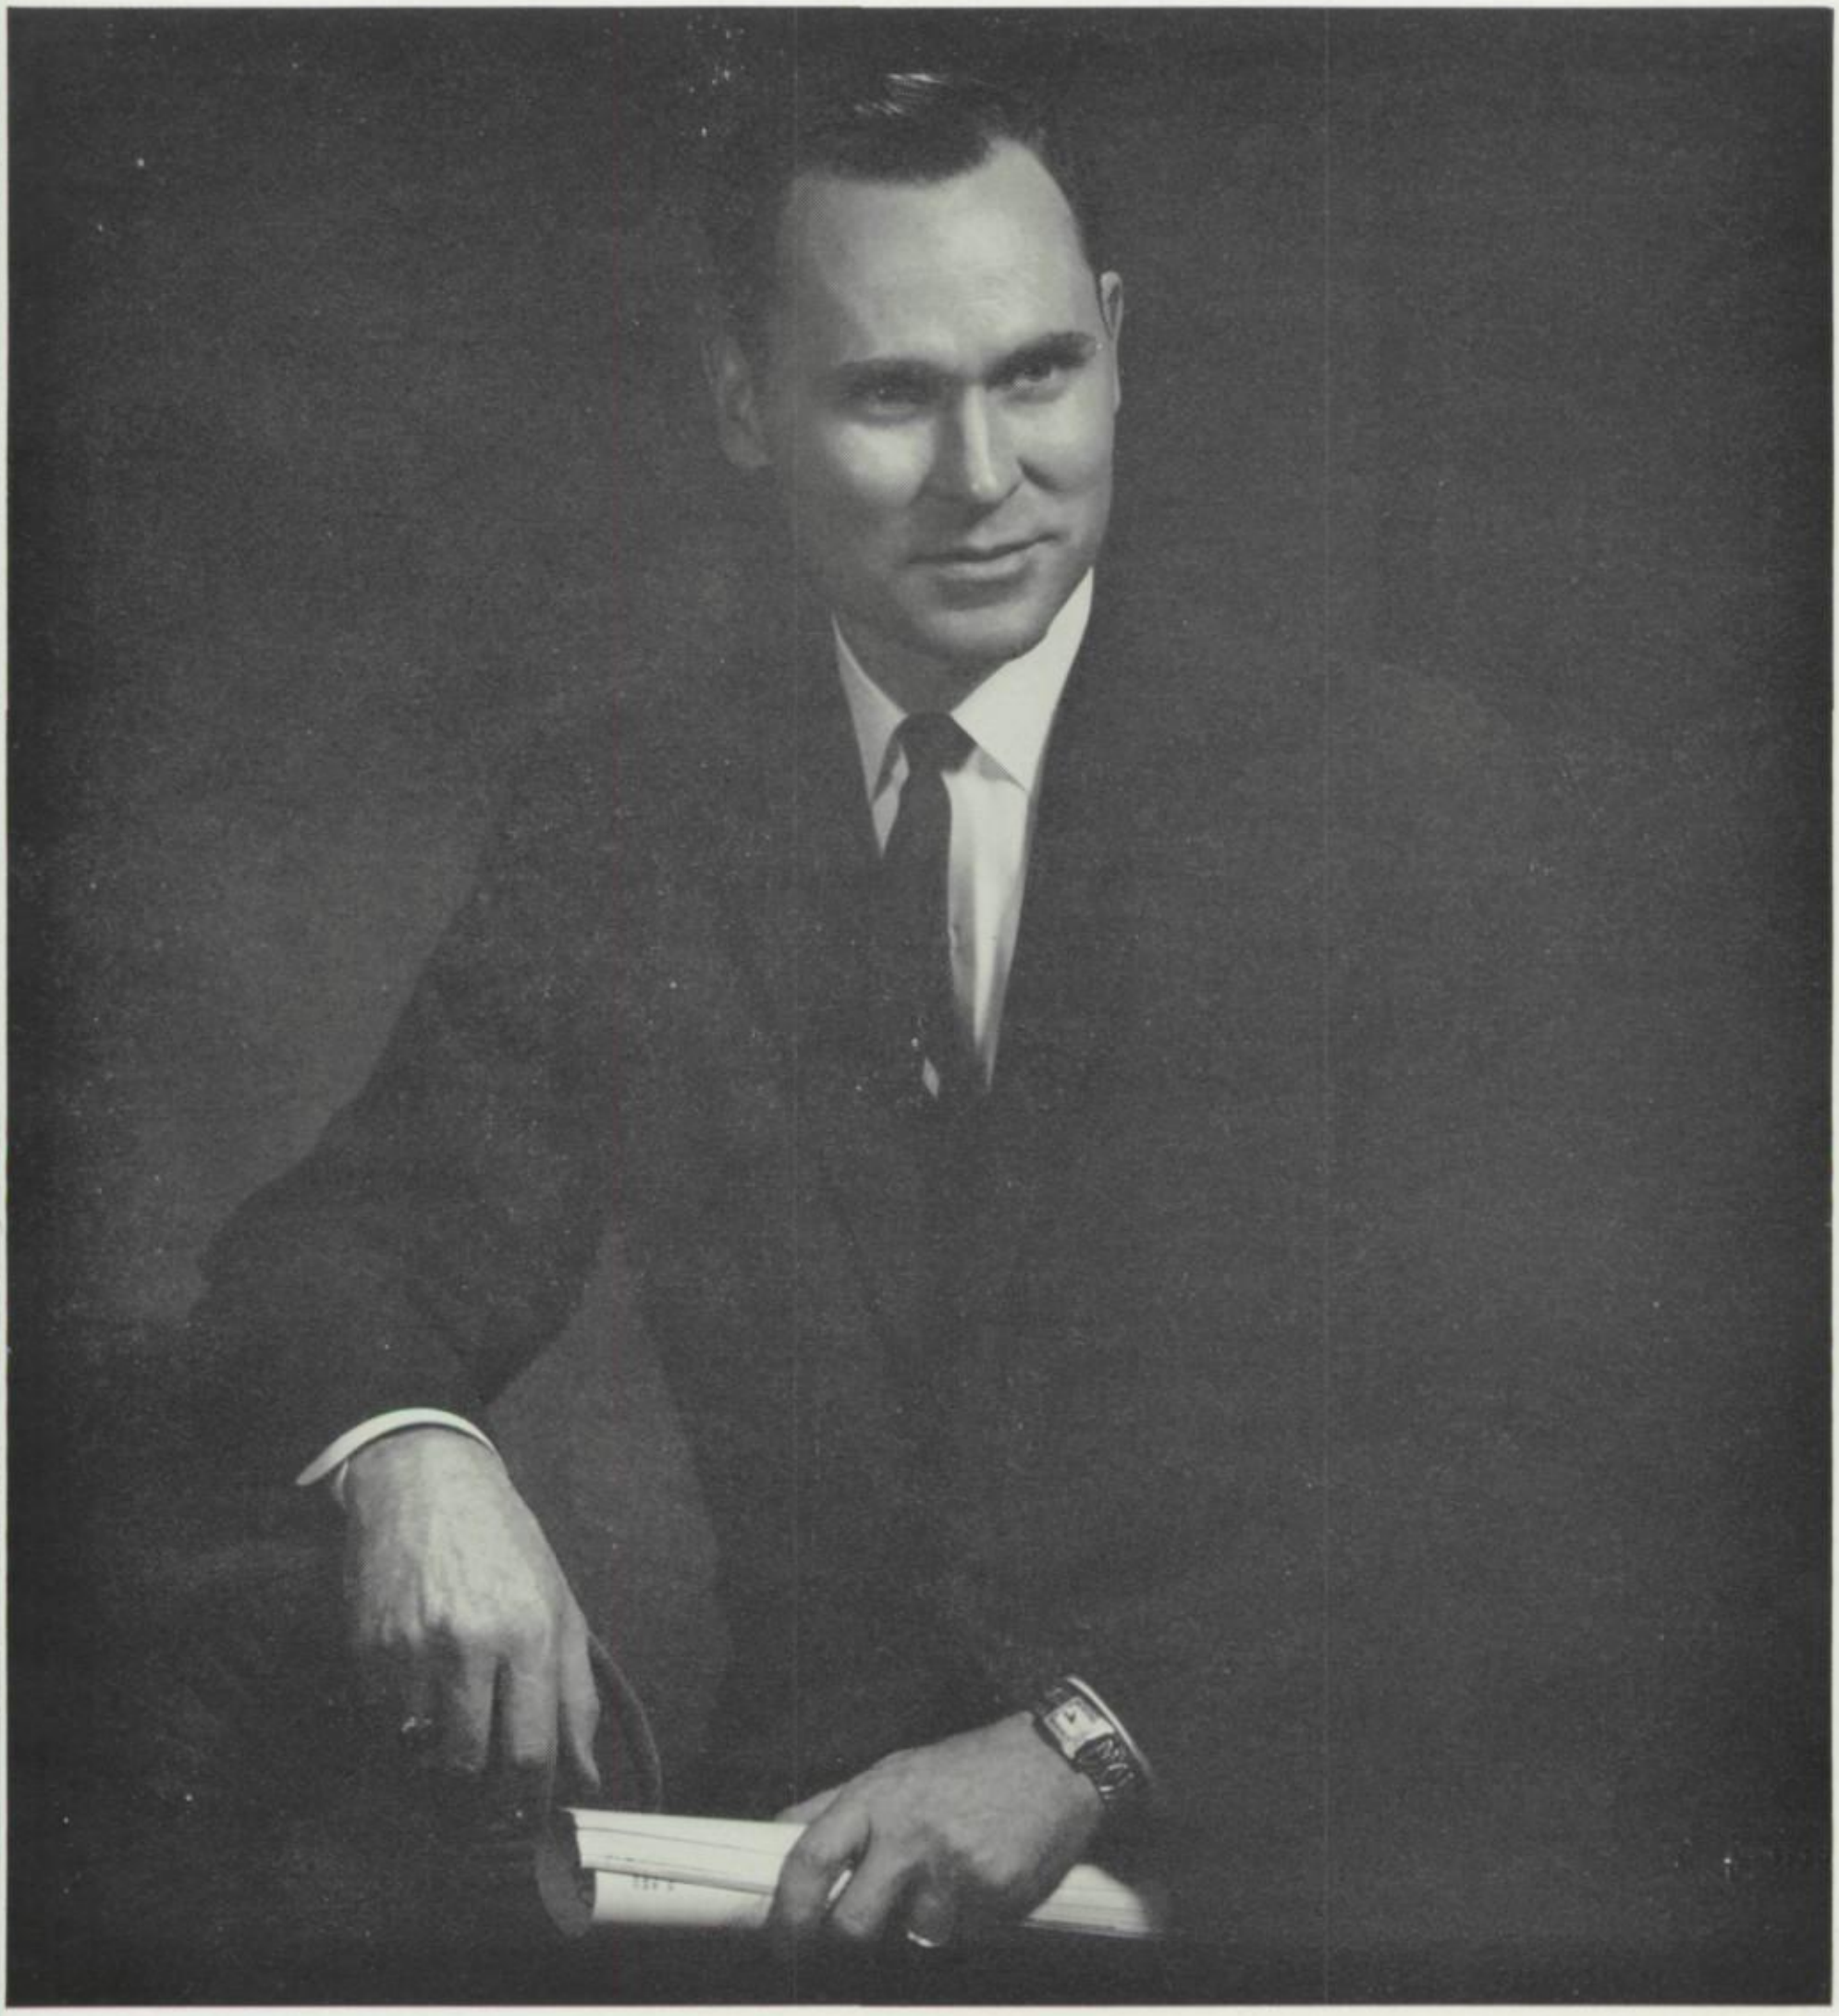
THE DAISY CHAIN

to

MR. KENNETH HOWARD

in recognition and appreciation of what he means to us as a teacher, a friend and a counsellor. Those who have the privilege of working with him will never forget his kind leadership, his understanding firmness, the gentle persistence and patience with which he strives to achieve the perfection which characterizes the performance of his groups.

By example he teaches the joy of sharing with others the beauty and inspiration of good music.



MR. KENNETH HOWARD

Director of Choral Music

MR. AVERY R. DOWNING, M. A.

Superintendent of Waco Independent School District

Though he has been Superintendent of Waco Schools for less than a year, Mr. Downing has already shown his capability and efficiency as an administrator. Besides impressing everyone with whom he works with his willingness to work hard and with his desire to do a good job for the Waco Public Schools, he is a close friend to the many students and teachers under his supervision. We are fortunate and proud to have Mr. Downing as Superintendent.

ADMINISTRATION BUILDING

MR. THOMAS L. WARE, M. A.

Principal of Waco High School

In his capacity as top administrator of Waco High School, Mr. Ware's ability and tact have won him the admiration of both teachers and students. His sympathy and personal concern for the welfare of the school are some factors that have made Waco High one of the state's outstanding schools. Mr. Ware's able and genial leadership will always be remembered.

BOARD OF EDUCATION

The present members of the Board of Education of the Waco Independent School District are Mr. C. Vic Anderson, President; Mr. Champe Fitzhugh, Jr; Dr. Tom Husbands; Dean Abner McCall; Dr. Tom Oliver; Mr. Peeler Williams, Jr.; and Mr. W. E. Darden. Mr. A. R. Downing, Superintendent of Schools, is the executive officer of the Board of Education and is responsible for administering the school program under policies set by the Board of Trustees. J. E. Crews, Business Manager of the school district, serves as Secretary of the Board.

Since only a year ago, many changes and improvements have been made by the Board. At the present time a bond issue of six and one-half million dollars is planned to build a senior high, a junior high, and an elementary school, and to provide for the addition of twenty new classrooms to buildings now in use.

The students of Waco High School give a vote of thanks to these untiring men who have devoted much time and energy to the development of our public school system.

In order to represent Waco High School well at the football games, it was necessary for the members of the band to begin drilling during the month of August. During the drilling sessions new members were taught to march and old members were able to brush up on their marching and to learn new formations. The band appeared at halftime during all home football games and traveled to Bryan, Austin, and Temple to boost team spirit.

The band attended the Baylor Band Day a traveled to Fort Worth for the T. C. U. Homecomi Parade and the Band Day. They also marched in t Baylor Homecoming Parade, the Santa Claus Para and the Armistice Day Parade.

In November the band entered the Marching Cont in Killeen. This year, as always, the band took top hono in inspection and marching. Several individual membe participated in All-Region and All-State in Janua Then in February the band presented its annual assemb

The Senior Chorus is a selected group of seventy-two members which is the representative mixed chorus of the Waco High School Choral Department. At the completion of one year's choral experience, a series of competitive tests is given to all music students. The results of these tests determine the membership of this group. The chorus carries on a full schedule of activities during the year.

This year the Senior Chorus has performed for Waco Lions Club, Waco Art League, Waco Kiwanis, U. S. O., Optimist, North Junior High School, South Junior High School, and Waco Literary Society. During the Christmas season this group enjoyed caroling to hospitals and rest homes under the supervision of the Junior Chamber of Commerce. Summer activities included trips to Dallas to see "The King and I" and "Oklahoma"

Eight members of Senior Chorus represented WHS in All-State Chorus. The highlight of spring activities was the presentation of JOHNNY STRANGER and KITTIWAKE ISLAND. The year's activities were climaxed by participation in the Interscholastic League contest held at Baylor University.

The Intermediate Mixed Chorus is made up of sixty-eight members chosen by competitive examinations given in the Junior Choruses in the spring.

The chorus is organized on the same pattern as the Senior Chorus and has its own schedule of activities and performances.

The chorus participates in a summer chorus program and last summer made trips to Dallas to attend presentations by the State Fair Musicals.

The aims of the chorus include furthering knowledge of choral ensemble singing and general musicianship, developing poise, and building good fellowship and school spirit.

The Intermediate Girls Chorus is made up of thirty girls who are interested in learning the basic fundamentals of music, such as theory, rhythm, sight reading, and notations.

The Intermediate Girls participate in all activities of the Choral Music Department. Some of the activities they have participated in this year are the Interscholastic League Clinic Workshop, the All-City Christmas Program, the choral music assemblies, the Interscholastic League Regional Festival.

The main purpose of the chorus is to help the individual girls with their basic musical difficulties. They try to develop their musical ability through varied types of work in the classroom. Among the classroom activities are listening clinics which have increased their ability to appreciate good music of all types.

The Junior Boys Chorus is made up of thirty-four boys who are having their first experience in the Choral Department of Waco High School. At the end of the school year, the members of the chorus will be promoted to vacancies in the Intermediate and Senior Choruses created by the graduating Seniors.

Membership in this chorus serves to better the individual's knowledge of basic fundamentals of music, such as theory, rhythm, sight singing, and notation. Considerable time is given to individual vocal development and ensemble singing. Another goal of the group is to promote good fellowship and school spirit among its members.

This chorus performed for the Thanksgiving and Christmas assemblies at Waco High and sang on the All-City Christmas Program given annually in Waco Hall. Another project was aiding in the ticket sales and technical production of the musicals JOHNNY STRANGER and KITTIWAKE ISLAND presented by the Senior Chorus.

As a climax to this year's activities, this chorus participated in the Interscholastic League Regional Music Festival held at Baylor University.

The Junior Girls Chorus is an organization of seventy-two members. From this group members for the Senior and Intermediate Choruses are chosen by competitive examinations.

The purpose of the Junior Girls Chorus is to provide instruction in rhythm, intervals, tone, and the basic elements of musicianship as well as beginning experiences in choral music.

The Choral Department provides one social each year for this chorus. This is usually held in the spring.

This organization has participated in the Christmas and Thanksgiving assemblies and the All-City Christmas Program. The chorus had charge of all publicity and aided in ticket sales for the production of JOHNNY STRANGER and KITTIWAKE ISLAND. The chorus entered in the Regional Music Festival and also had many representatives in the solo and ensemble competitions.

The editor of THE DAISY CHAIN is elected by the Senior Class officers and the staff is chosen by the editor and the sponsor subject to the approval of the coordinator of student activities. The production of the book is entirely an extracurricular activity.

This year's book was planned by Toxey Cathey. The art work was planned and produced by Bobby Cathey. The color was planned by Mimi Ray.

Charles Roeder has been in charge of the dark room. He and his staff have been most efficient, and the photography has been unusually good.

The staff is grateful to the following who have been of much help: Larry Tindell, Billy Hancock, and Fred Hay, who ran countless errands; James McBeth and Terry Bush, who arranged rows and rows of chairs for pictures; the club secretaries, who prepared their copy; John Dosher, Ray Williamson, and James Milam, who selected action shots for the sports section.

The DAISY CHAIN BUSINESS STAFF is an extracurricular activity under the direction of a faculty sponsor and a business manager chosen by the Senior Class officers.

The duties of the business staff are selling and collecting for advertisements, selling senior picture coupons, and selling and distributing the annuals.

This year the business manager, Ray Williamson, has had a very active and cooperative staff. The staff consists of six seniors and four juniors. The juniors are expected to serve on the staff the following year.

Mr. E. E. Mohundro (Mr. Mo), sponsor of the business staff, is a key factor in the success of the book. It is through his patient and careful supervision that the staff is able to function properly.

The student government of Waco High School, patterned after the city government of Waco, consists of five commissioners, a city secretary, and a city manager. The commissioners are elected, and the city secretary and city manager are appointed by the commissioners.

The Waco High School Student Government has been active in the Central, Texas, Southern and National Associations of Student Councils. Waco High School was represented at the T. A. S. C. in Brownsville, Texas, this spring.

Activities of the student government consist of holding all-school elections and sponsoring special events during the year. Among special activities, Waco High Student Government directed the sale of peanuts for the March of Dimes. Representatives also attended the McLennan County Youth Safety Council.

This year the government has had the privilege of choosing outstanding students each month to represent Waco High School at luncheon meetings of the Rotary, Northwest Rotary, and Lions Clubs.

The Waco High School Chapter of Junior Red Cross held a successful membership drive in October. Over ninety per cent of the students enrolled, contributing over $150.00.

Thirty-four boys and girls at the State Home for Children were given a dollar and fifty cents each at Christmas. Three representatives of Junior Red Cross delivered these gifts.

For the second year Junior Red Cross sponsored a gift box program. In December the homerooms prepared sixty-one gift boxes that were delivered to four different rest homes in Waco.

The annual gift chest project was the main emphasis for the spring semester. A large chest was filled with school supplies, health items and recreational equipment and shipped to some needy area overseas. The Industrial Arts and Art Departments cooperated in this project.

A summer service project has been planned. Girls working in groups are to help care for children at one of Waco's welfare centers.

The Girls Athletic Association is an organization limited to senior girls who are selected by the teachers of the girls' Physical Education Department. Members must have ability in recreational activities, interest in the P. E. program, a pleasing personality, and good health. They must have and maintain an 85 average in all subjects. One-fourth of a credit per term is given for this activity.

The G. A. A.'s serve as secretaries to P. E. teachers, care for equipment, assist in refereeing games, and keep both locker rooms in order.

The assistants hold their weekly meetings on Wednesday mornings. Some of their social activities during this year include luncheons, bowling parties, and a breakfast held in place of a regular meeting on Wednesday morning. Candy sales and collecting of nickles for clothing left out in the dressing rooms are the club's chief money-making projects.

In the spring the G. A. A.'s represent Waco High School in field events at the annual Baylor Play Day.

Near the end of school an award is given to the best all-around gym assistant and to the runner-up. Awards are also given to the assistants who have faithfully fulfilled all their duties and obligations.

The Library Assistants of Waco High School assist students in locating books for pleasure reading and for research. In the workroom assistants are busy typing catalog cards, book cards, book pockets, book lists, library records, and working in the magazine stacks and at the mending table.

Meetings of the library assistants are held twice a month. The topic of most interest at club meetings is the planning of money-making projects. During 1958-1959 the library assistants sponsored a baked-food sale and a candy sale which netted sufficient money to send four delegates to the Teen Age Library Association Convention in Abilene, Texas, February 29-March 1, 1959. Carolyn Bewley, Diann Bucklew, Darlene Standefer, and Doris Roeder represented Waco High Library at the tenth anniversary meeting of T. A. L. A. The delegates reported a wonderful trip which mixed fun with learning about Texas high school librarians and libraries.

OFFICE ASSISTANTS

Sponsor: MISS GRACE HAMILTON

Office assistants can be seen working efficiently and cheerfully in all of the school administrative offices. In the principal's office a pupil is assigned every period during the day as P. B. X. operator. In the attendance office the assistants collect absence slips, run errands, and assist with the filing. The assistants in the registrar's office also get experience in filing. In the offices of the business manager, the director of athletics, and the director of distributive education the assistants do secretarial work. They get valuable experience in typing and also in taking dictation.

The office assistants are chosen from among the pupils who apply. Applicants must have satisfactory grades, good personal records, and must not be participating in too many other activities. About forty-five pupils work as office assistants each semester.

During the year 1958-1959, the Waco High P-TA explored opportunities for cooperation between home and school in a study of the theme, "Education is Life in the Making". The programs have been most interesting and have had good attendance. Our money-making proje was most successful and the proceeds went to the Scholar ship Fund, the Waco High School Service Fund, and th Waco High School Activity Fund.

The Automechanics Club of Waco High School is composed of about 55 boys each semester. The club is open to any boy in Waco High School after completion of half a year in Newcomers Club.

The club motto is Safety and Service. The motto stands for safe driving habits and the safe operation of the individual's car. Thus the motto serves to point out the principles of the club.

As a service project, the club undertakes the supervision of traffic when the Thanksgiving baskets are delivered. Automechanics boys plan the line of traffic around the buildings, place homeroom numbers on cars, direct the flow of cars to the little gym and out to the street. The speed with which the two hundred and more baskets are loaded and dispatched is due in large measure to the efficiency of this group of boys.

Berry Service Club was organized in 1954 with the aim of giving service to the school and community through the main activities of the club. Each member has to maintain a grade average of 85 and earn a minimum of ten hours of service each semester.

Weekly projects of Berry have been assisting at the Latin American Center, working at the Red Cross, tutoring at the State Home, and working at the Hillcrest Gift Shop.

All-Service League projects included participating in the "get-acquainted" party for the new girls at Waco High, selling peanuts for the March of Dimes, manning Salvation Army kettles, selling forget-me-nots for th Disabled Veterans, collecting clothes for the Korean W Orphanage, and serving as hostesses at the Baylor-Wa High Speech banquet.

Berry girls sold Waco High stationery, Christm cards, megaphones, and held three cake sales as mone making projects for the year.

Besides these service projects, Berry membe enjoyed several social activities during the year. The were two formal initiations, an installation dinner, senior banquet, two informal initiations with Sportsm II, and a DAISY CHAIN signing party.

The Camera Club of Waco High, under the able supervision of Mr. Ed Parker and Mrs. Winifred Smith, has had a very enjoyable year. In the Camera Club the members learn from each other how to use a camera properly and how to develop film. The only requirement for membership is owning a camera. The club itself owns two cameras.

Some of the activities are visits to all-school gatherings, and field trips around the building and around town. Films and slides intended to help in making better pictures are shown sometimes. Occasionally a professional photographer speaks to the club.

The most enjoyable part of the club is the monthly contests. With money paid for dues, prizes are awarded. Some of the prizes have been film and photography equipment. One of the prizes was a jacket.

A few of the contests were of pictures taken around the campus. At Christmas a contest was held of pictures showing Christmas scenes. In another the subject to be photographed was assigned by the president of the club, each person having a different subject.

The meetings of the Chess Club are devoted entirely to playing chess. New members of the club who do not know how to play are given instructions by members who do. In most cases the beginner quickly develops enough skill to enjoy the game. Members who have books on chess sometimes exchange them with others so that members may become stronger players.

A club tournament was not held this year. Instead, members paired off with players of about equal strengt This seemed to be of more benefit and enjoyment to all.

The Chess Club of Waco High School is developin some strong players and competition is becoming increa ingly stiffer. The club members are enthusiastic abo becoming proficient at a game that has long been note for developing tactical skill. This game they will be ab to enjoy all their lives.

This year Darden Service Club has devoted its energies to community service. Darden co-sponsored and contributed to two drives to aid, by sending clothes, to a Korean orphanage. Dividing into groups, the club made seasonal tray favors and hall displays for the Crippled Children's Hospital.

At Christmas Darden provided food and clothing for a worthy family. A gift box was given to a resident of a rest home. Another group delivered corsages to the members of a rest home.

Darden volunteered to collect donations to the March of Dimes. Also, the club counted and packaged Easter Seals.

Entertaining the children at the Latin American Center and tutoring at the State Home are two other projects which Darden has undertaken. Members of the club also donated time to the Cerebral Palsy Center.

To finance the service projects, Darden has held flu-flu, stationery, scarf, and cake sales. Also, a hot-dog supper was held in the little gym on Corrigan week-end.

Darden Service Club feels that it has truly lived up to its purpose: To do service to others.

The Waco High School Distributive Education Club is affiliated with both state and national organizations. The club is composed of students who attend school in the morning and work in the afternoon.

As a money-making project club members sold programs at all home football games.

The State Convention was held in Fort Worth February 28 to March 1. Each member had a choice of three fields to choose from to compete in the state contests. By process of elimination three local winners were chosen. Those who represented the club at the Fort Worth convention were as follows: salesmanship, Ronald Hawkins; Business speaking, Wanda Busby; job application, Barbara Dudley.

The annual Employer-Employee banquet was held in April. It was attended by distributive education students and their employers. Ross Wallace was our guest speaker. He also provided the entertainment.

The Distributive Education Club has acquainted its members with the public. They have gained understanding and an appreciation of the importance of business to our economy and increased their knowledge regarding fields of work.

English Literary Society is one of the two honor societies at Waco High School. It is a society for outstanding English students and meets on the second and fourth Thursdays of each school month. Membership is extended to those students who attain a quarterly grade of 97 in English and maintain a general average of 90. New members are accepted and initiated at the beginning of each semester.

The programs for 1958-1959 have been designed to stress the importance of fine arts, especially literature and music, in everyday life. Students and guests have participated on these programs.

The main project of the Forsgard Service Club was tutoring some of the elementary-age children at the State Home. Forsgard also gave money to buy Girl Scout uniforms for the Home. Some of the other projects were entertaining children at the Evangelia Settlement; helping at the Louie Migel Center, the Red Cross, and Woodland Springs Home. To raise money Forsgard sold annual covers and book covers, and had cake sales.

In ccoperation with the other service clubs, members participated in the Forget-me-not Drive, the March of Dimes, and the annual Baylor Speech Tournament. A girl from Forsgard collected the most money during the Poppie sale and received the honor of being Poppi Queen. The runner-up was also a Forsgard girl.

A "Come-As-You-Are" breakfast was given as a informal initiation, and later the initiates had the task o cleaning off blackboards for two teachers.

The main project of all the service clubs for bot semesters was collecting clothes and books for a Korea orphanage. Forsgard was in charge of this projec Colonel Dean Hess, the author of BATTLE HYMN gave the clubs permission to show the movie of his boo and collect clothes for the orphanage as admission to th show.

Forum Debating Society offers its members practice in speaking events and literary contests with its rival of long standing, the Rostra. Forum is currently in the lead by a substantial margin by virtue of winning both contests to date. Remaining contests are radio speaking, extemporaneous speaking, and the all-important debate.

Forum hopes to regain possession for the fourth time in six years of the Stan Skyles Memorial Trophy, named in honor of the Forum member killed in the 1953 tornado.

Our position among the boys' organizations in Waco High School is due in a large part to the capable guidance and patient understanding of the "first lady of Forum", our sponsor Mrs. David Wood.

Each year the most outstanding contributive senior in the Society is recognized and honored by having his name engraved on the David E. Wood Memorial Award, a plaque honoring the memory of Mrs. Wood's late husband.

Although Forum is primarily a debating society, its members have pursuits beyond the forensic field as each year is highlighted by several parties and a hayride in the spring.

FUTURE HOMEMAKERS OF AMERICA

The Waco Chapter of Future Homemakers of America is open to students who are taking or have taken courses in homemaking.

A point system is set up to create interest in F. H. A. work, and the points allow honors, such as being senior representative, going to state meetings, and being a delegate to other meetings.

Annual activities include district, area, and state meetings; F. H. A. Week; Christmas card sales by members; and an all-school dance sponsored by F. H. A. after one of the football games.

Donna Davidson was elected as an area officer, while June Rose, Carol Clinkscales, and Pat Carpenter were chosen for district offices. Three voting delegates were Madeline Oliver, Shirley Musgrove, and Joyce Crawford. Mary Beth Slater participated in the area meeting by playing the organ.

Our motto "Toward New Horizons" expresses the purpose for the organization of F. H. A.

The Future Teachers Club is composed of girls who are interested in learning more about the teaching profession. Some of the programs are given by the members, who share their ideas and information; other programs are arranged to include guest speakers who can acquaint the students with the rewards and responsibilities of teaching.

The club is developing a program of service to the teachers of Waco High School. Under this program the members are to serve as student assistants to the teachers, helping the teachers and at the same time gaining valuable experience.

The club plans to become affiliated with the Future Teachers of America and will organize its activities to comply with the requirements of that organization.

Genheimer is a service club which helps the needy and undertakes worthy projects.

By helping the Evangelia Home and at the Red Cross, by serving a chili dinner at the Latin American Center, by selling poppies, working at the kettles for the Salvation Army, and selling peanuts for the March of Dimes, Genheimer was able to serve the community.

The club clothed and fed a needy family, tutored State Home children, helped with the speech tournament, and acted as guides for the P-TA night meeting.

Curtains were made for the cafeteria, and, to boost school spirit, mobiles were hung in the cafeteria. T shirts and books were Genheimer's donation to th Korean Orphanage.

For money-making projects, the Kar-dec-o-rate wa held on the afternoon of the homecoming football game Cookie Sales were held. KINDERGARTEN KAPERS a dance, was held April 18 in place of the annual Gen heimer Revue.

Two informal initiations with Forum, two forma initiations, and two banquets made up the social activitie of the club.

The Key Club of Waco High School is a chapter of Key Club International, which is made up of school clubs all over the world. Key Club, the only boys' service club in Waco High School, was founded by and works closely with the Downtown Kiwanis Club.

Service projects, which benefit all of Waco and not only Waco High, are the main time consumers for Key Club members. Among these are the Kiwanis Radio Auction, Marine Corps Christmas Toys for Tots, ushering at civic affairs, and collecting money for the March of Dimes and for the Salvation Army.

Many projects are for the benefit of WHS. These include taking down chairs after each assembly, keeping the trophy cases clean, raising and lowering the flag each day, providing ink in study hall, and performing other worthwhile tasks for the school. This year Key Club was host to 500 guests at its annual fund-raising dance, an event which proved to be a huge success. The club also sponsored a car wash for the purpose of raising funds to send the president to the International Convention in Toronto, Canada.

Key Club members are ready and willing to render any service within their power which will help Waco High School maintain its rank among the best schools in the country.

Nunc et Tunc, the official publication of the Latin Department of Waco High School, is the oldest, Latin magazine in the United States.

The staff is elected by the staff of the preceding year, to serve the next whole year. At the start of the year, typists are chosen. Sharon McCarthy, Joe Riley, and Nancy Stiteler, were this year's official typists. The editors appoint representatives in each class. The junior highs and University High elect or appoint representatives also. The representatives encourage literary contributions, sell subscriptions, gather ideas for *Nunc et Tunc* use, and sell single copies.

Nunc et Tunc has four issues per year—Fall, Winter, Spring, Summer.

The Music Appreciation Club, under the sponsorship of Mr. Lyle Skinner, meets every Wednesday in the band hall during the regular club period. The club now has over thirty members. The purpose of the club is to expose its members to all types of music and to show the inner value in all music.

Under the direction of the president, a program is presented each week by the club's vice-president and various members of the club. During the last year several delightful programs have been presented. Among this number ranks a swinging dance band group consisting of Jack Britain, Joe Arnett, Ronnie Holze, Arlon Jones, Jeremy Walker, and Kent Johnson. Several recordings have also been enjoyed by the club's members. A wide selection of all types of music, including popular, jazz, and classical, also finds its way into the club's programs by way of records. Many thanks to our hard working vice-president and sponsor for a thoroughly enjoyed course in the appreciation of music.

The Waco High School Chapter of the National Forensic League completed its third year of activities this year. The purpose of this organization is to promote the interests of interscholastic debate, oratory and public speaking by encouraging a spirit of fellowship and by conferring upon deserving candidates a worthy badge of distinction.

A student may become eligible for membership if he ranks scholastically in the upper two-thirds of his class and has participated in high school activities to the extent of qualifying for the Degree of Merit.

In this past year, Waco High's debaters have won many honors in invitational tournaments. The results of these tournaments included 14 first places, 14 second places, and 8 third places.

In February, Waco High N. F. L. and Baylor University were hosts to a tournament held here in Waco.

Those students in the National Forensic League qualifying for their highest degree, the Degree of Excellence, were Carolyn Evans, Sheldon Mixson, Hugh Wilfong, Anne McCall, Ann Granger, Susan Embry, Jan Herring, and Dan Jacks.

In the spring the Waco High chapter took part in Interscholastic League Contests and in N. F. L. District Contests. Those who win first place in the state or first in the N. F. L. District, qualify for participation in national competition to be held this summer.

The Waco High School Chapter of the National Honor Society was established in 1940. Students of 11A, 12B, and 12A standing are eligible for membership. During their years in Waco High School these students must have achieved a scholastic average of 94 or above, which must be maintained to remain a member. They must also possess outstanding qualities of character, leadership, scholarship, and service.

In October two students were initiated into the Society in a formal assembly with John Houston presiding and Reverend Charles Wellborn as guest speaker. In March Lane Harris presided over the assembly for the initiation of fifty-one students. The guest speaker for this assembly was Dr. Roy Sherrod. Other speakers participating in these assemblies were Superintendent A. R. Downing and Principal Thomas L. Ware. Following the assemblies the initiates and their parents were honored with a coffee in the Homemaking Department.

As a service project, the members of the Society assist with the coaching of students who request help in their courses.

These appropriate programs based on Latin American culture are made more vivid and realistic through the use of realia, films, folk dances, and music. Outstanding Latin American holidays furnish the occasion for many pleasant fiestas.

The culmination of the year's activities is the annual trek to Austin for the State Convention of P. A. S. F. Here the Wacoans participate in many contests and enjoy the colorful social activities provided for the many delegates from all parts of the state.

Annual contributions are made by the WHS Chapter to a state scholarship fund which makes possible an exchange program for students who wish to continue their studies in a Latin American country.

The Personality Development Club is organized to assist girls who are interested in learning the basic essentials for a charming personality, such as personal grooming, dating etiquette, and proper clothes for different occasions. One important function of the club to encourage the girls to develop poise and confidence in dealing with other individuals.

The girls assist in the planning of the programs and include their selections and ideas as to the type of programs which they would like. These are style shows, demonstrations which show proper use of cosmetics and hair styles suitable for each individual, outside speakers, and self-evaluation tests.

The Personality Development Club has one of the largest memberships of any high school organization and is divided into three sections. Several joint meetings are held so that all may benefit from group suggestions and ideas. Each section assumes the responsibility of a program for a joint meeting during the semester. The remainder of the club meetings are individual ones.

Anyone interested in journalism or any form of news reporting may become a member of the Press Club. Meetings are held on the first Monday night of each month in the home of one of the members.

Interesting speakers from the fields of newspapers, radio, television, advertising and related areas are secured for most of the meetings. Following the business meeting, a social period is held, allowing the members to become better acquainted with each other.

Meetings were held during the year in the homes of Margie and Betty Buckler, Randy Fitzhugh, Lind Holdar, Mary Ellen Rogers, Mary Ann Shotwell, an Sandy Spark.

Speakers for the meetings included Mr. Lynn Rane and Mr. Jim Montgomery of the Waco News Tribun Herald; Jane Walker, editor of The Baylor Lariat; an Mr. Arch Hunt, Baylor placement director.

The final event of the year was the Press Clu picnic held in Cameron Park in honor of the new Qui and Scroll members.

The Rostra Literary Society, organized in 1914, is open to all boys interested in the art of public speaking. Rostra is one of the outstanding clubs of Waco High School and expects to maintain that position.

Rostra's sponsor, Mr. Roy Cornelius, is responsible for many of the club's accomplishments through his patience and understanding.

Each year, Rostra competes with its rival club, Forum, in various fields of speech activities, such as public speaking, essay writing, declamation, radio speaking, extemporaneous speaking, and debate. Each contest is rated on a point system for first, second, and third places, and the club that has accumulated the most points at the end of each year wins a beautiful walnut and gold trophy, awarded in the memory of Stan Skyles, who was killed in the 1953 tornado. Rostra is currently in possession of this trophy.

At Christmas members of Rostra helped with the collection of money for the Salvation Army. In the fall Rostra had a party with its sister club, Darden, and plans another later this spring. Of course, the main social each year is the inter-club banquet with Forum following the last contest in May.

The members of the Science Club, sponsored by Mr. G. H. West, are Waco High School students who have a keen interest in science and its applications. One semester of science in senior high is required for membership.

Club periods are devoted to films, speakers, and work on projects; occasional field trips are taken. This year the Science Club project has been the construction of a small chemical-fuel rocket. During the fall semester the club was divided into committees to study the various aspects of rocketry, and research was done in these fields: fuel, design, ignition system, testing rack, and launching platform. In the spring semester, the club was divided into small groups, each group to design, assemble, and fire a rocket. Knowledge gained from the launching of these small rockets will be used by the club in constructing a large model.

In winning the 13-AAAA District title, the young Waco Tigers showed a lot of desire and determination. The Tigers were picked to wind up third in District competition, but they surprised everyone by winning the championship with a season's record of eight wins and three losses. The Bengals were stopped in their 15th bid in the Texas Interscholastic League play-offs by Miller of Corpus Christi, in Baylor Stadium.

Waco placed three players on the All-District offensive unit—end Dwayne Lee, tackle Glenn Hurta, and guard Donnie Kimmel. On the second team offensive unit, Waco placed backs Cary Stratton and Ray Williamson. Waco placed four players on the All-District defensive unit—ends Dwayne Lee and Vic Anderson, guard Kenneth Ferguson, and safety Brett Morris. On the second team defensive unit, Waco placed linebackers Donnie Kimmel and Tommy Carter, and safety James Milam. In addition, Kenneth Ferguson was named second team All-State center by the Associated Press, and Cary Stratton received Honorable Mention in the Associated Press listings. Stratton and Ferguson were also placed on the mythical Super-Cen-Tex Grid Squad.

The never-say-die spirit of the 1958 Tiger team is a tribute to the outstanding coaching of Coach Carl Price and his assistants Johnie Riola, Wayne Gardner, Jack Price, Ken Casner, and Ed Knipper.

WACO 31 — CORSICANA 16

In the season opener for both teams, backs Cary Stratton and Buzzy Foster led the Tigers to a 31-16 victory over Corsicana. The Tigers amassed 475 yards total offense. Stratton, a quick-starting fullback, rounded out 193 yards on eight carries, Foster, left half, scored three times and picked up 60 yards on

five carries. The Tiger attack was directed masterfully by quarterback Williamson, whose faking was superb. Linemen Johnny Norris, Mickey Kennedy and Kenneth Ferguson did an outstanding job of blocking.

Following the opening kickoff Waco had its first touchdown. The extra point try was no good, and the score stood 6-0.

After the kickoff Corsicana was forced to punt. Stratton ran 21 yards to the Corsicana 49, and on the next play Foster raced 49 yards for the score. Again the goal was no good, and the score was 12-0.

Late in the second period Williamson handed off to Stratton, who cruised 93 yards for the score. The extra-point try was missed, and the scoreboard read 18-0.

Waco received to open the last half, scored in four plays, and led 24-0.

Late in the third period Corsicana scored on a 29-yard pass. They ran for the extra points, and the scoreboard read 24-8 in favor of Waco.

Early in the final period Waco scored on a 62-yard punt return by Foster. Morris' kick was good, and Waco led 31-8.

A fumble recovery set up the other Corsicana score, and the final score was 31-16.

WACO 27 — SAMUELL 6

Again the Tigers' ground game clicked as they rolled to a 27-6 victory over Dallas Samuell. Waco slashed for 252 yards total offense. Stratton was the leading ground gainer with 130 yards in 19 carries. including a 19- yard scoring burst. Reserve halfback Eugene Gaisser provided the longest run of the game, and 89-yard punt return.

Samuell started the scoring on a sustained drive from the opening kickoff. The conversion failed and Samuell led 6-0.

Ferguson covered the kickoff on the 47, Morris ran for 8 yards to the Spartan 45, and Foster scored on a 45-yard slam over tackle. Morris' kick was good, and Waco led 7-6.

Early in the second period Ferguson blocked a punt from the 13, and the ball bounded out of the end zone for a safety.

Samuell was forced to kick, and the Tigers carried back to the Spartan 31 to score in four plays. The kick failed, and Waco led 15-6.

Early in the third period Stratton carried twice for 19 yards. Williamson, keeping three straight times on the inside belly option, finally scored from the 3-yard line. The kick was to the side, and the score stood 21-6.

With little time left in the game, Gaisser took a Spartan punt and raced 89 yards for the last score. The final score was Waco 27 and Samuell 6.

WACO 15 — SAN ANGELO 22

Riding a two-game winning streak, the Tigers took on San Angelo there. A hitherto unused passing attack plus the runs of fullback Cary Stratton staked the Tigers to a 15-6 lead which melted before a fourth-period surge that pulled the Bobcats to a 22-15 victory. Stratton rolled up 107 yards on 19 carries, while Williamson, in his first heavy-duty role as a passer, connected on seven of ten throws for 75 yards.

Waco opened the scoring late in the first period after moving 78 yards in 11 plays. Morris passed 24 yards to Lee and Williamson to Vic Anderson for 9. Morris scored from the 5, then kicked the extra point to make the score 7-0.

San Angelo scored late in the second period. The conversion failed, and Waco led 7-6 at halftime.

In the third period Waco moved 52 yards to a score, Stratton jamming through from the one for the touchdown. Stratton then hurtled into the end zone for the conversion, and Waco led 15-6.

Early in the fourth quarter San Angelo scored and cashed in on a two-point conversion that brought the score to 15-14.

The Tigers failed to move after the kickoff, and the Bob-

cats scored again. They ran over the conversion and the score was 22-15 in favor of San Angelo.

Waco's closing possession came with just six seconds left. Williamson rolled left, found no one open, reversed his field and twisted 28 yards to the Bobcat 25 with the final horn sounding while he was still at midfield.

WACO 20 — ARLINGTON HEIGHTS 12

Waco used ground power behind good line play to score a 20-12 victory over Fort Worth Arlington Heights. The Tigers smashed for 274 yards overland, throwing only eight passes. Waco uncovered a new running star in halfback Brett Morris, who ran for 129 yards in 20 carries including trips of 20 and 26 yards. Fullback Cary Stratton had another fine night with 107 yards in 18 tries.

Starting from their own 36 with the kickoff, the Tigers scored in seven plays. Morris wheeled 29 yards on the second play. He and Stratton then combined for a first down on the 20, from where Stratton zoomed across to score. The kick was no good, and the score was 6-0.

Arlington Heights could not go, and Waco took over on the Waco 33. A 16-yard gain by Morris and 9 yards by Ken Lipscombe were the high points of the ensuing drive. Stratton scored on a 14-yarder. Waco missed the goal and led 12-0.

Waco was unable to mount another sustained drive until the second half kick-off when they covered 83 yards for the score. Lipscombe swept end from the 7 to score. Morris ran over the conversion for a 20-0 lead.

Arlington Heights took advantage of a bad punt late in the third period to score. The conversion failed, and the quarter ended with Waco leading 20-6.

In the fourth period the Jackets scored again. The conversion failed. The final score was 20-12 in favor of Waco.

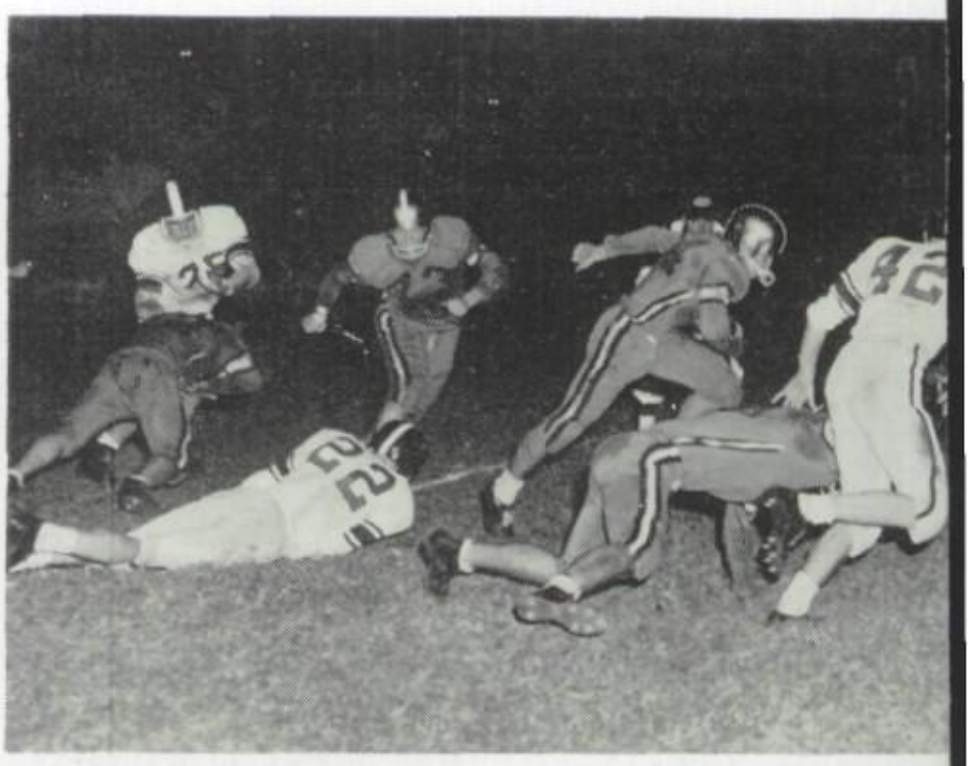
WACO 0 — ABILENE 36

Abilene convinced Waco fans of its football supremacy by demolishing a good Waco High team, 36-0. Tiger quarterback Ray Williamson, the only Waco back able to gain in the early stages, picked up 51 yards on 12 running attempts and fullback Cary Stratton gained 42 yards on 11 rushes. Key defensive players for Waco were Brett Morris, John Davis and Johnny Norris.

Early after the opening kickoff Abilene forced Waco to punt and scored in eight plays. The conversion failed, and the 6-0 score stood.

In the first quarter Abilene intercepted three Waco passes, and two of them resulted in scores. At the close of the first quarter Abilene led 20-0.

Waco, recovering from its jitters, managed to stop the Eagles during the second quarter and initiated their lone scoring threat, which was ended by an Abilene interception.



Unstoppable Cary Stratton bursts through for a score against Austin while Johnny Norris races to provide interference.

Abilene scored again in the third period and ran over the two-point bonus for a 28-0 score.

The last Eagle touchdown and the two-point conversion made the final score 36-0, Abilene.

WACO 27 — BRYAN 0

Waco outmuscled, outhustled and outmanned Bryan, 27-0, to spoil the Broncos' District 13-AAAA opener and stick its own foot in the door to the District throneroom. The Tigers gained 394 yards total offense with fullback Cary Stratton taking 92 of it on seven carries to lead all runners.

It was a game of oddities. A tackle, Waco's Johnny Norris, scored a touchdown. A Bronc substitute came off the bench to make a tackle. Bryan ran three plays with 12 men on the field.

The first half came near being a Brett Morris extravaganza. He scored the first two touchdowns and kicked three of four conversions.

Near the end of the first quarter Morris fielded a Bryan punt and raced for a 70-yard scoring stint. Morris converted, and the score was 7-0.

After the kickoff James Milam intercepted a pass on the Bronco 46. Runs by Stratton and Foster, a pitchback from Williamson to Foster, and a coffin corner pass from Foster to Morris netted a TD. Morris converted for the 14-0 score.

Bryan was forced to punt and Waco covered 85 yards in six plays. Stratton drove into left guard and maneuvered 66 yards to paydirt. The conversion failed, and the score stood 20-0.

Waco's next score came when Johnny Norris intercepted a pass and ran 28 yards to score. Morris converted, and the score stood at 27-0.

The Tiger reserves played the second half. Lipscombe totaled 68 yards on 11 tries while Billy Vitek had 43 yards on eight carries.

WACO 20 — TRAVIS 12

Waco won its second District 13-AAAA game from Austin Travis. The Rebels took and early 6-0 lead in the first period, then roared back from a 20-6 deficit to score once and miss a possible tie before bowing 20-12.

Statistics were as close as the score with 257 yards net offense for Waco and 212 for Travis. Stratton was again the top Tiger runner with 100 yards in 26 carries. Buzzy Foster had 99 yards in 16 carries.

The Rebels surprised everyone by barreling 64 yards in 14 plays from the opening kickoff to take an early 6-0 lead.

After the ensuing kickoff Waco launched a 77-yard drive, with Foster getting 41 yards. Foster scored from the 3 behind tackle Glenn Hurta's block. The conversion was missed, and the score stood 6-6.

Waco received the second half kickoff. Quarterback Tommy Carter directed a drive of 61 yards in 14 plays with Stratton, Morris and Foster carrying. Morris' kick made it 13-6.

The Rebels received the kickoff, and on the next play Carter recovered a fumble on the Travis 12. Morris ran for

Co-Captains Ken Ferguson and Ray Williamson, and Queen Pat Phillips.

2, Stratton carried for 7 and then scored from the 3-yard line. The kick was good, and Waco led 20-6.

When the teams changed ends, Waco lost 5 yards when an official put the ball on the Tiger 11 rather than the 16. Waco was forced to kick, and Travis got possession on the Tiger 35.

Travis scored, and suddenly it was anybody's game with 9:16 left. As Travis came from its own 24 to the Waco 16, James Milam made a tumbling pass interception at the Waco 3-yard line to save the night for the Tigers.

WACO 14 — AUSTIN 0

Tiger line, which rolled back the Austin forwards for the Waco yardage, were the standout threesome of the night. Guard Donnie Kimmel, tackle Glenn Hurta and end Dwayne Lee were the stalwarts who opened the gates for Stratton and Company.

After a scoreless first quarter, Waco pounced on a bad Austin quick kick to initiate a 41-yard scoring march. Williamson and Foster carried to the Austin 29. On the next play Stratton emerged from the wreckage wrought at the Maroon left tackle and outran three Maroons to the goal. Morris converted for a 7-0 Waco lead.

Waco held following the kickoff and took advantage of a Maroon punt that traveled only 5 yards to the Austin 45. The Tigers covered the distance in eight plays that included seven raids on the Maroon left side. Stratton carried to the 24, paused for Williamson to hit a 3-yard pass to Dwayne Lee, then bulled for 9 to the 12. Williamson completed a 6-yard swing pass to Foster, then Stratton pounded twice at the Maroon left, the last time for 4 yards for the score. Morris again kicked true and the scoring was over, all of it taking place in the second quarter.

Fumble recoveries by Kimmel and Vic Anderson, and a pass interception by John Davis stopped Maroon marches.

The 14-0 victory was a great one for the Tigers who became the first team this season to score twice on the Maroons.

WACO 40 — McCALLUM 18

A lethal passing attack was perhaps Waco's prime weapon in defeating the McCallum Knights, but the Tigers had their customary running punch to supplement the air game. Waco scored in every quarter and amassed 411 yards total offense.

McCallum received the opening kickoff. The runner was tackled very hard by Stratton and fumbled. Vic Anderson recovered on the Waco 49.

On the first play Morris bucked for 3. Then Stratton, who went into the game with a 998-yard rushing total, broke into four figures with a 48-yard scoring run. Morris converted, and it was 7-0 with only 52 seconds gone.

On the next series of plays, McCallum scored. The pass for two points was incomplete, leaving it 7-6.

For the next Waco score the Tigers covered 52 of the 58 yards in the air. Morris scored on a 25-yarder. The conversion failed, and the score was 13-6.

McCallum scored after a long drive. The run for the conversion was no good, and the score stood 13-12.

The next Tiger score came on passing by Williamson and Morris, Morris passing 10 yards to Dwayne Lee for the score. The conversion was good for 20-12 score.

Waco scored once more before the half with a 33-yard run by Buzzy Foster, the big play. Williamson threw 7 yards to Anderson for the score. Stratton ran over the conversion for a 28-12 halftime lead.

Early in the third period Waco used ground power to gain another score. Morris finally passed to Foster for the TD and a 34-12 lead. The conversion failed.

McCallum scored again late in the game to make it 34-18. Waco reserves evened it up in a hurry when Lipscombe drove over left tackle and scored on a 52-yard run. The game ended with the score 40-18.

WACO 6 — TEMPLE 0

In the most exciting game of the season, quarterback Ray Williamson engineered Waco 77 yards to defeat Temple 6-0 and give the Tigers the District 13-AAAA championship.

Temple dominated the first 45 minutes of play, keeping the Tigers corked up in their own end of the field to take a lead in the penetrations, six to none. Six Temple drives died on fumbles, penalties and tremendous Waco defense. Had the game ended 0-0, Temple and Waco would have been District co-champions with Temple going to the playoffs on penetrations.

With just three minutes left, the Tigers took possession on their own 23, and the 77 yards to Temple's goal looked like that many miles. Williamson lost one on first down. On the next play, he sent Tiger receivers to the right, then threw to Foster on the left. Foster took the pass and sprinted 40 yards to the Temple 38. On the next play Williamson fired a 26-yarder to Scott Horne, who carried to the Temple 12. Under terrific pressure, Williamson threw incomplete three times, bringing up fourth and 10. Morris attempted a field goal from the Temple 20. A Temple offside penalty made it fourth and five from the 7. Williamson carried to the Temple one for a first and goal situation.

On first down Williamson climbed over between Ferguson and Peeples to score with just 1:21 remaining. The conversion failed, but the game was over for all practical purposes.

Key players for Waco on defense were Edwin Beckom, who twice threw Temple back for big losses; David Peeples and Donnie Kimmel in the line; and Tommy Carter and James Milam in the backfield.

WACO 22 — MILLER 24

Corpus Christi Miller outlasted Waco, 24-22, in a bi-district encounter in Baylor Stadium that sent the Buccaneers into the state quarter-finals.

Miller built a 24-14 fourth period lead that almost melted before a scorching Tiger air game. Quarterback Ray Williamson's passing pulled Waco up to 24-20, then 24-22 on a safety donated by Miller. But in the final hectic moments a pair of interceptions killed Tiger threats on the Buccaneer 9 and 32.

Miller received the kickoff. Donnie Kimmel recovered a fumble to end a Buccaneer power march and give Waco possession on its own 29.

Pass interference was called on Williamson's pass to Lee. Williamson hit Lee again at the Miller 46 and Vic Anderson at the 37, where interference was again ruled, giving the Tigers a first down. On the next play Williamson passed to Morris, who dived into the end zone for the score. The conversion kick was no good, and Waco led 6-0.

Midway of the second period Miller scored, ran the conversion, and led 8-6.

Early in the second half Miller scored, and the two-point conversion was good for 16-6 score.

Waco received the kickoff and moved on the ground from their 31 to Miller's 48. Williamson passed to Morris for 36 yards to the 12. Williamson passed to Anderson at the 7, and three ground plays later Waco had a first down at the one. Two plays more and Stratton scored. Morris passed to Foster for the conversion, and the score was 16-14.

Miller scored again and ran the two-point conversion to give them a 24-14 lead, which apparently was a safe one.

Waco came storming back and Lee caught a 31-yard pass for a first down on the Miller 25. Williamson then threw to Lee at the one. On the next play Williamson scored, but the run for the conversion failed and the score was 24-20.

Waco backed Miller deep into their own territory, and Miller had to give Waco a safety so as to get a free kick from their own 20.

Pass interceptions killed Waco's final efforts, and the final score was 24-22.

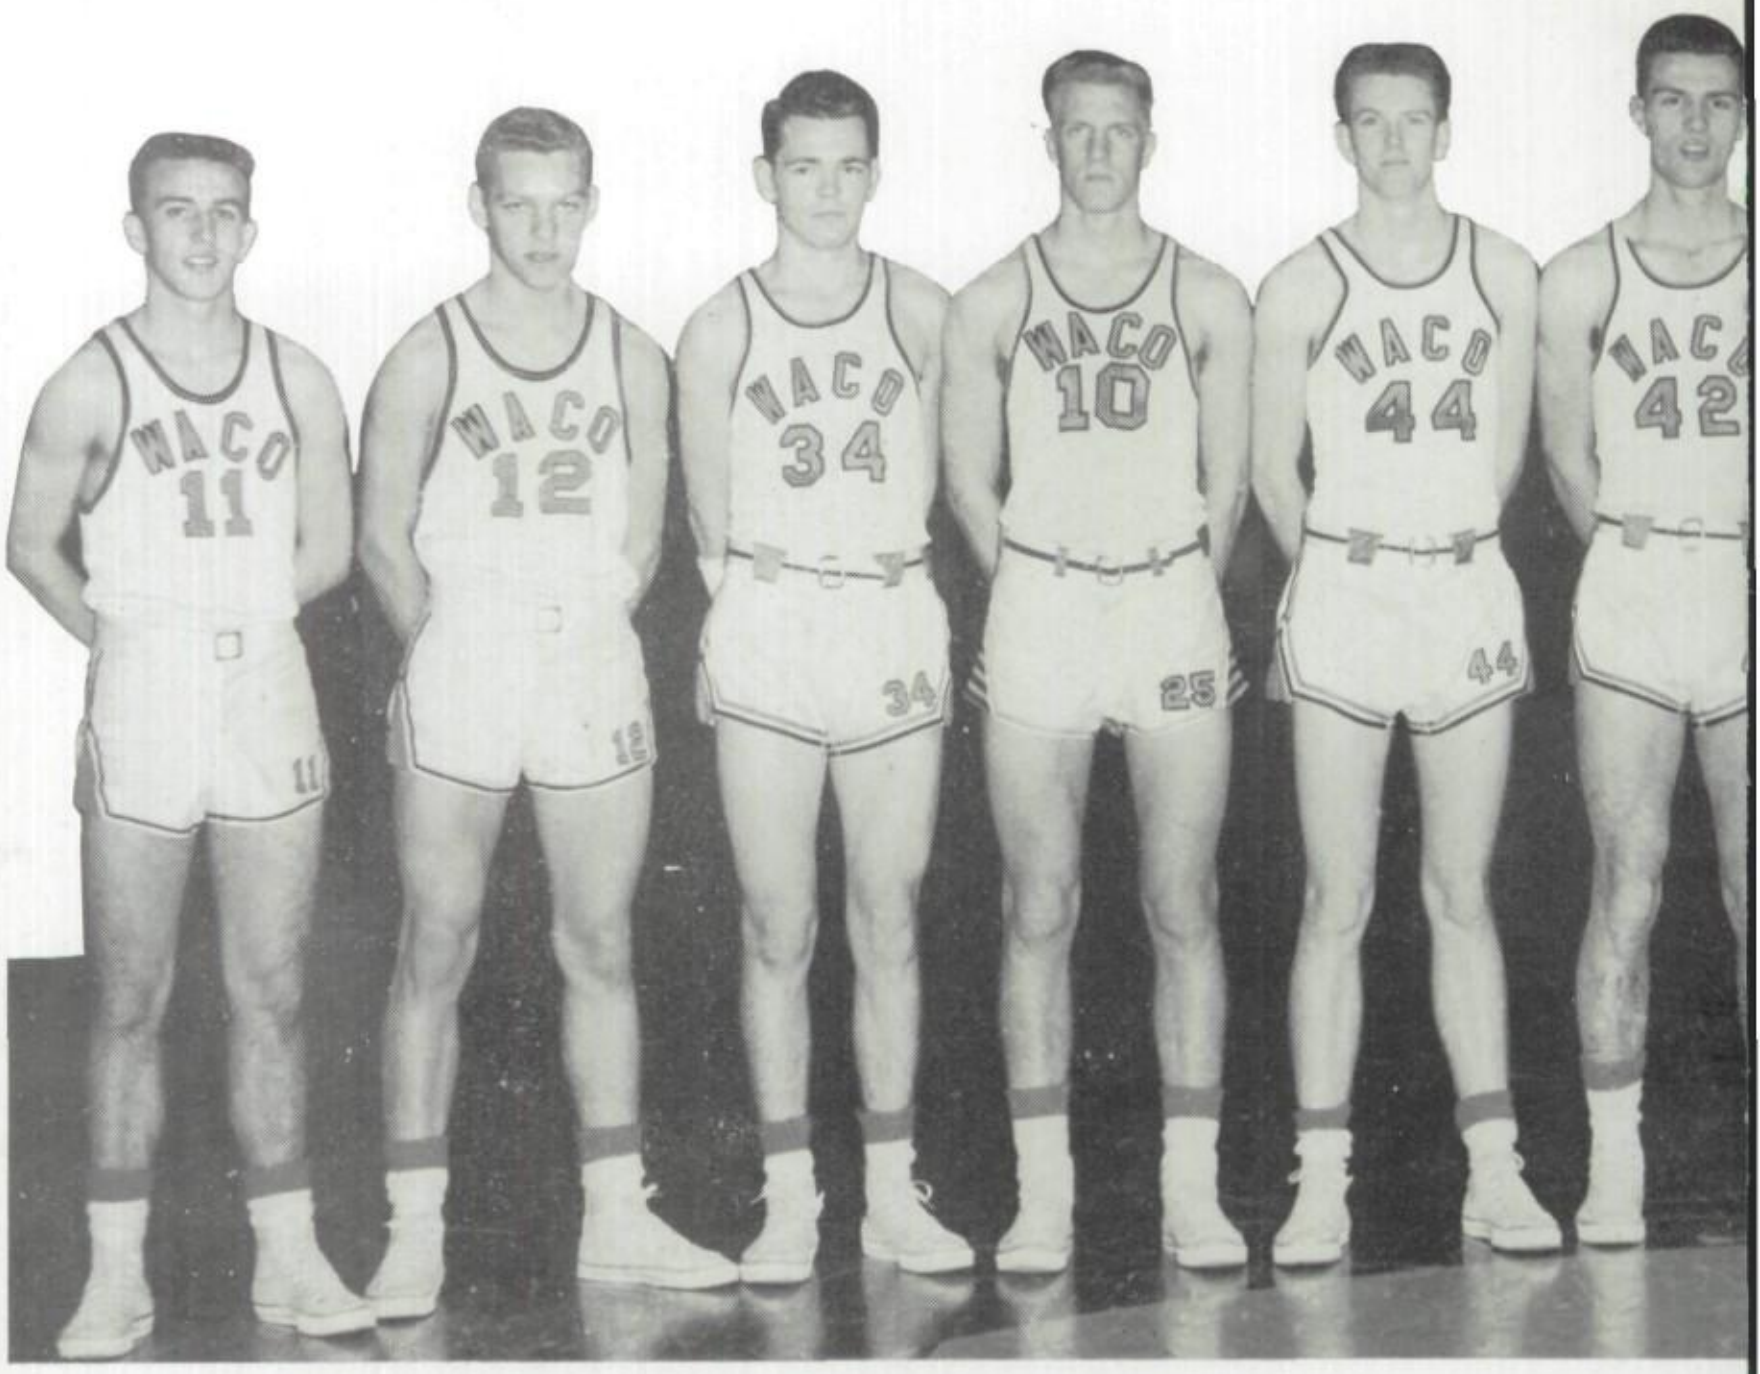
BASKETBALL 58-59



Roberts, Carter, Dosher, Anderson, Haynes, Lee

The 1958-59 edition of the Waco Tigers, an outstanding team, had a very successful season. A tough schedule was played by the Tigers, twenty-five games during the season. They won fourteen of the contests and dropped eleven, to finish third in District competition. Usually the Tiger lineup consisted of John Dosher and Travis Lawson at guards; L. G. Spivey and Buzzy Foster at forwards; Dwayne Lee at center. The day before the game with Temple, on January 30, John Dosher fractured his wrist during a practice session so Gary Roberts took over his position at guard for the remainder of the season. The other players on the Tiger squad were Phil Haynes, Ray Williamson, Charles Miles, Tommy Carter, and Barton Zachry.

All through the season the Tigers played some fine basketball against top opposition. Two of the seniors won post-season honors. Buzzy Foster was placed on the first All-District team selected by the Associated Press and was also placed on the Super Cen-Tex Squad. L. G. Spivey received second team All-District honors. The remaining three members of the Tiger starters, John

Dosher, Dwayne Lee and Travis Lawson, received Honorable Mention on the All-District Squad.

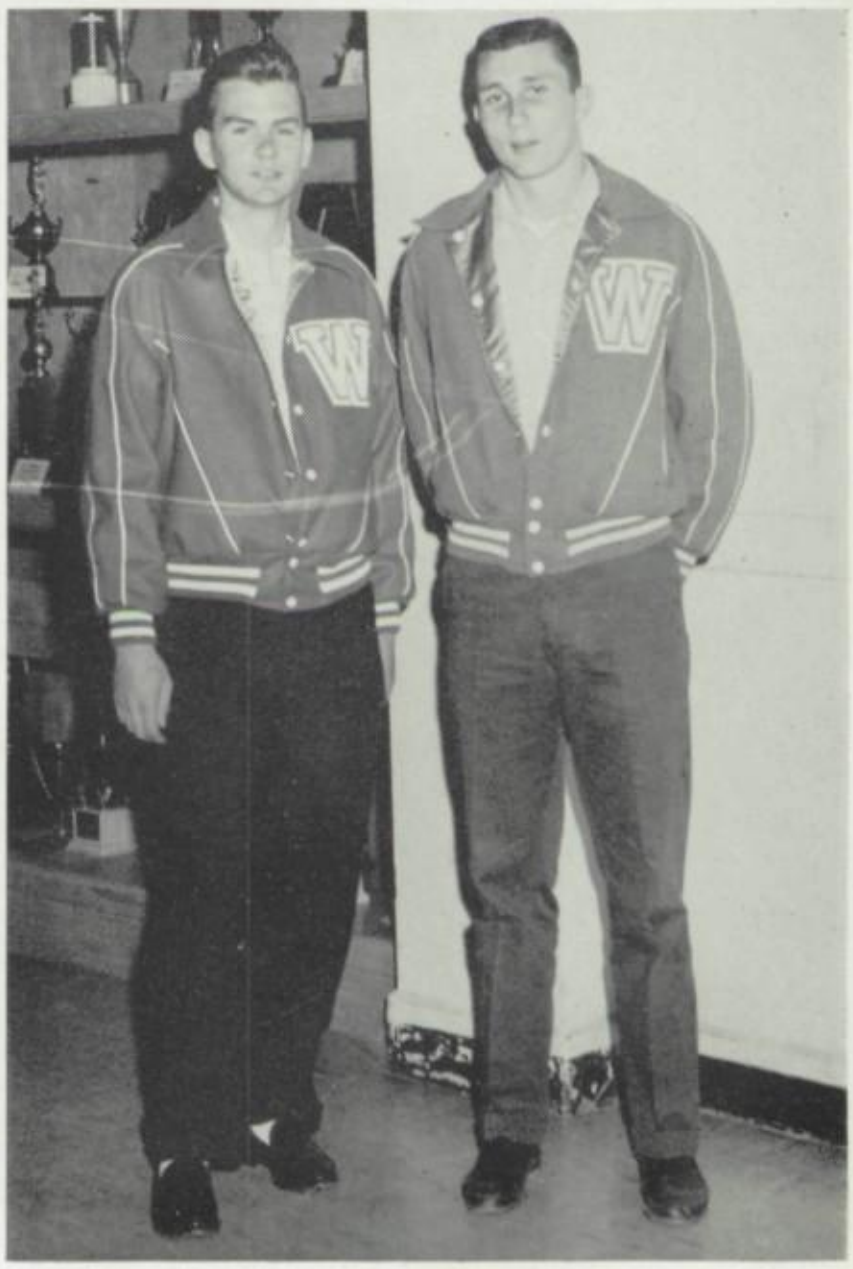
Waco opened the season in the Waco High gymnasium against Killeen. The Tigers played a good game but lost 58-49. Spivey and Haynes were the leading scorers for the Tigers with 18 and 13 points respectively.

Waco outscored Corsicana 50-41 in their next game for the first win of the season. Haynes, Spivey, and Lawson were the leading Tiger scorers with 15, 11, and 10 points respectively.

Waco traveled to Bryan for the Bryan Basketball Tournament. Their first opponent was Spring Branch. Foster was the leading scorer with 13 points as the Tigers went down in defeat 48-30. In the second game of the tournament Waco was defeated by Laredo 54-48. Spivey scored 17 points for high-point honors.

Sunset outscored Waco in the next game 44-41. Lawson and Lee were the leading scorers with 15 and 11 points respectively.

All-District choices: Spivey, and Foster



The Tigers entered the San Marcos Tournament and lost to powerful Killeen 60-47 in their first game. Foster and Lawson lead the scoring with 12 points each. In the second game Bryan outscored Waco 57-53. Lee and Foster were the leading Tiger scorers with 16 and 13 points respectively. In their last game of the tournament, Waco blasted Seguin 53-40. Foster popped in 21 points.

Corsicana was Waco's next victim. Waco mastered the court by a score of 62-37. The leading scorers for the Tigers were Foster, Spivey, and Lawson with 19, 11, and 10 points.

Strong Crozier Tech was Waco's next opponent, and Waco came out on top with a 53-46 score. The top Tiger point-makers were Foster and Lee with 15 and 13 points.

Bryan-Adams was Waco's next visitor, and the Tigers were victorious 52-40. Foster scored 10 and Lawson scored 11.

Waco played Bryan-Adams a return game, and again the Tigers were victors with a score of 54-47. The leading Tiger scorers were Foster, Lee, and Spivey with 17, 11 and 10 points respectively.

Waco entered the Dr. Pepper Invitational Basketball Tournament in Dallas. In their first game they outscored Carrollton 53-51. Foster scored 19 and Lee scored 12 points for the Tigers. In the next game Waco faced strong Milby and lost 56-43. Foster and Lawson each scored 11 points.

ment, and the Tigers came out on top 44-32. Lawson dropped in 11 points.

Waco played Temple in the first District game. The Tigers played a great game to defeat the Wildcats 48-35. Foster and Dosher each scored 16 points.

Next Waco traveled to Austin. The Tigers broke an 18-year jinx by defeating the Austin Maroons on their home court, 48-33. Dosher, Lawson, and Lee were the leading scorers with 15, 12 and 10 points respectively.

Waco played their next game at home and lost to McCallum 35-31 for their first District loss. Foster's jump shot was working to the tune of 12 points.

Bryan was Waco's next victim. At the end of the game Waco was on top of a 45-42 score. Foster, Spivey, Lee, and Dosher each scored 10 points.

Four days later Travis upset Waco 55-53 in an important District game. Lawson split the cords with 13 points. Spivey scored 12, and Foster and Dosher each scored 11.

Waco started the second round of District play by defeating Temple on their home court 51-39. Lawson scored 17 points to lead all scorers.

Next, the Austin Maroons visited Waco for a return engagement. Again Waco outscored them, this time 37-28. Foster poured in 14 points.

Three days later Waco traveled to Austin and lost

a heart-breaker to McCallum, 36-35. It was a close game that could have gone either way. Lawson scored 11 points, and Foster and Spivey scored 9 each.

In Waco's last home appearance they outhustled Travis and won 43-39. Foster, Spivey, and Lee were the leading scorers with 17, 13, and 10 points respectively.

In the final game of the season Waco visited Bryan and lost a thriller 58-56. In the last few seconds of play, Bryan stole the ball and made a lay-up for the winning points. Lawson poured in 21 points and Foster scored 17. The senior Tiger players ended their high school basketball careers with this game.

All in all, the Tigers had a successful season due in large part to the fine coaching of Coach Jack Price. In this his third year as Tiger basketball coach, Mr. Price has made a place for himself among the outstanding coaches in Texas.

TENNIS TEAM

Coach: MRS. E. B. JONES, JR.

This year the Waco High School girls tennis team was made up of five seniors, two juniors, and six sophomores. The outstanding performers were Jan Massey, Nancy Teague, and Linda Smith. Nancy Teague, a senior, and Jan Massey, a junior, were the only returning lettermen. Other senior players were Katy Oliver, Jenny Rooks, Dinah Boyd, and Pam Newton.

Representing the juniors were Jan Massey and Linda Smith . Sophomore players were Johnnie Lu Raborn, Bennett Anderson, Lana Swan, Mary Ann Harvey, and Phylis Alexander.

At the beginning of school the girls trying out for the team began playing tennis. Play-off matches were scheduled and eliminations were held. A bad winter marred playing, but the team could always be found on the courts when the weather permitted.

The first tennis match was held with Bryan on February 28. This match was held in Bryan. On March 14, Waco's team traveled to Garland, Texas, to participate in a second match. March 20 found our players journeying to Austin to enter another invitational tournament.

The next two matches were held on the home courts, the first being the Waco Invitational Tournament held on April 4, and the second being the District meet on April 11.

This has been a fine year for our team, with much of the praise going to our coach, Mrs. Betty Jones.

TENNIS TEAM

Coach: MR. KEN CASNER

The 1959 Tiger tennis squad is composed of two seniors, eight juniors, and four sophomores.

Jim Robinson, a senior and a returning letterman, won the Bryan and Tyler Invitational Tournaments and did well in several other tournaments.

The doubles team of Ray Williamson, a senior letterman, and Roy Marlow, a junior, has represented Waco High in several tournaments this year.

Other juniors on the team are Hugh Wilfong, Jim Monnig, James Coone, Noah Appleton, Chris Ruebeck, Howard Trevor, and Kenny Jones. Sophomores Bill Gotcher, Roy Rutland, Bill Deaton, and Stanley Levy complete the Tiger roster.

This year's District tournament was held in Waco.

GOLF TEAM

Coach: MR. BILL LAMKIN

The Waco High School golf team participated in several practice matches and tournaments during the months of February, March and April. The Tigers played practice matches at Corsicana, Temple, and Gatesville and hosted these teams for matches at Ridgewood Country Club. The team played in invitational tournaments at Brady, Brownwood and Lampasas. They finished high in large fields at all three.

The District Meet of District 13-AAAA was held on April 10, at the Temple Country Club. The defending champions were Stephen F. Austin High School of Austin; Waco was runner-up. Waco High was represented by Vic Anderson, Garland Back, Roger Beck, Chester Brunner, Rodney Cross, Davis Eichelberger, Charles Herdman, Robert Hill, Bobby Powell, Tommy Sharp, John Stringer, and Mart Weekley.

SENIOR DAY

After the costume contest, each senior had his own contest to see how many sandwiches and deviled eggs could be eaten before the games began. From the lack of attendance at school Friday, one could assume that everyone was a winner in the eating contest.

SENIOR DAY

About 2:45 the seniors regretfully left their plates to start the games. Mr. Ed Knipper, chairman of the games, divided the seniors into two groups the golds and the whites.

SENIOR DAY

Mr. Jack Price and Mr. Garland Bullock, assistants for the athletic contests, awarded the prize to the whites, who won by a narrow margin.

SENIOR DAY

While everyone was recuperating from the strenuous exercise, many spontaneous pictures were snapped.
